

WREN SPINNEY SCHOOL

SEPTEMBER 2015

A warm welcome to the start of a new academic year at Wren Spinney School and a special welcome to those parents and carers who are new to Wren! We look forward to working with you all over the course of this academic year and to sending you these regular updates about life at Wren.

Dear Parents and Carers,

As I write this, the school is starting to settle into its new routine. We are all getting to know our new students, and our other students are getting used to being back here at Wren.

There has been a lot of work on the school site over the Summer, with a new mobile built and old structures removed. This has freed up more space for us and opened up the site nicely, so we are now reviewing the use of the outside space - please let us have any views. Work is also ongoing on two new sensory spaces inside school. We are also developing the use of our Studio in Kettering (near the Shop), to maximise work related learning for all our students.

We shall shortly be sending home our new "postcards of praise" so please look out for these. If you record students' notable achievements on them, at home and in the community, these can then be displayed and celebrated in school.

It was a pleasure to meet parents at our recent "What's Next?" evening in school. Thank you to all involved - we welcome parents at any time and hope to see again soon.

Simon Bishop, Head Teacher

Safety Reminder from School Nurses

If your child needs to have medication administered in school, please send this in the original packaging clearly labelled from your doctor with dosage and inform class via the home/school book that it is in their bag. Please only send in any medication that is due to be administered in school and put respite medication in their overnight bags which are locked away whilst in school.

If you have any queries or problems feel free to contact us on 01536 484599.

14TH OCTOBER 2015

6 – 8 pm

We are delighted to extend an invitation to all prospective parents and students to visit our Open Evening on the above date. Come and see the school and hear all about the experiences we have to offer.

Please circulate to anyone who might have an interest in finding out more about Wren Spinney.
