

WREN SPINNEY SCHOOL

2017 - NEWS

Dear Parents and Carers,
I hope that all is well with you and yours as the weather gradually gets nicer (hopefully)! In what is another busy term for us, warmer weather means the students can get outside and into the community more, and that's what we like best!

Thank you to everyone who came to our Floor Fillers performance, or our May Day celebrations – whether you were able to or not, we would love to see you at Wrenfest on 29th June, when again a good time will be had by all.

There has been a lot going on this Springtime and I would particularly like to thank the staff members who made it possible for us to take students to Bendrigg outdoor pursuit centre. The students who went learned a great deal and had valuable experiences that matter. Our plan is to run one residential trip a year, geared to a particular group, so that the benefits are spread around.

Finally, we are on the verge of having a large amount of building work, refreshing the existing buildings and adding a couple of extensions (at last)! I shall let you know more when details are finalised.

Enjoy the Summer!

Everyone had a great time as you can see from the pictures....

From Jackdaws class

Jackdaws had great fun doing the Conga at the school performance!

We have just received news that we will receive a grant of £5094 from Awards for All, Big Lottery Fund. This will enable us to install a Chemical dosing system for our pool which will make a huge difference to how we maintain and operate the pool. We are very grateful to Jimmy James for his support with this application.
