

WREN SPINNEY SCHOOL

NOVEMBER 2017

Dear Parents and Carers,

We hope that you and yours are keeping well, as the days get colder and darker!

Things in school are settling down nicely, and the students have started to learn their carols as we get ready for church on 14th December (please come!)

I would just like to thank everyone for bearing with us as building work continues. This will be great for the school, and the students enjoy watching it, but it can be inconvenient....

Best wishes

Simon Bishop, Head Teacher

A warm welcome to the start of a new academic year at Wren Spinney School and a special welcome to those parents and carers who are new to Wren! We look forward to working with you all over the course of this academic year and to sending you these regular updates about life at Wren.

We are continuing to raise funds to renovate our Sensory Garden. One of our parents is supporting us applying for grants and the student council has also been active in fundraising for equipment. So far, we have raised a total of £5,300, which will cover the replacement of the old tiled surface. The students are being asked to put forward their ideas about what they would like to have in there and we are hoping to extend the current space to accommodate different sensory themes. If you would like to support this project in any way please let us know.

CAR PARKING AT SCHOOL.

Please bear with us whilst building work continues at school and car parking is very tight. Staff are encourage to double park to allow access for visitors but if you do have to park outside on the road, please be mindful of residents driveways etc.
